

HARFORD COUNTY REPUBLICAN

Supporting our Community
and Elected Officials

- Education
- Training
- Participation in Government
- Philanthropy
- Electing Republicans and encouraging Republican women to run for office

Membership Form 2023

The Club holds monthly meetings, presents speakers on topics of local, state and national issues, campaigns for Republican candidates and conducts fundraisers to enable us to support and make contributions to those candidates and to also support our community. We have monthly Luncheon Meetings and fun social events so that members can stay connected.

HCRW is chartered as a part of the Maryland Federation of Republican Women and the National Federation of Republican Women. We have advocacy from the local to national level! Like other Republican Women groups in other Maryland counties, our long-standing goals of education, training, and participation in government, community service, electing Republicans and encouraging Republican women to run for office, have helped create an organization that is a strong voice in Harford County.

Full Membership is only \$35 per year. Associate Membership \$25 per year (gentlemen and women who are already a member of a Federated Club). Members who own a business can provide a jpeg of their business card to be placed on the HCRW website, email it to HCRWGroup@gmail.com

Thank You for being a part of HCRW!
